LNG Sale and Purchase Agreement with Oman Liquefied Natural Gas L.L.C.

October 9th, 2024

Kansai Electric Power FTS Pte. Ltd.

Kansai Electric Power FTS Pte. Ltd. (“KEFTS”) and Oman Liquefied Natural Gas L.L.C. (“Oman LNG”) entered into a Sale and Purchase Agreement for the procurement of Liquefied Natural Gas (“LNG”) on October 6th.

For KEFTS, this agreement aims to grow and strengthen its LNG portfolio, which will support Kansai Electric Power Group’s LNG supply-demand situation and customers around the globe.

Shinichi Kudo, Chief Executive Officer of KEFTS, said: “I am thrilled to announce that KEFTS is starting a new relationship with Oman LNG. We will work closely together to ensure a stable supply of LNG to our customers.”

KEFTS will continue to work towards providing the LNG portfolio and its flexibility and value optimization to a diverse range of customers.
